Ministry Background Information – Dare 2 Share (D2S) is a non-profit evangelistic ministry based in Wheat Ridge, Colorado. D2S was founded by Greg Stier in 1991 with the goal of training and mobilizing America’s teenagers to reach their friends for Christ. When the tragic Columbine High School shooting happened just minutes from Dare 2 Share’s offices in 1999, the mission of reaching teenagers with the life-changing hope of the gospel became even more urgent. That same year, Greg Stier resigned from a pastorate at a local church to focus his efforts on the cause of D2S.

For over 27 years, God has used D2S to transform, train and equip over a million teenagers across the country to share their faith in Jesus. Today, D2S offers a nationwide simulcast training event, weeklong summer intensives, books, curriculum, youth leader trainings, and more to realize the vision of every teen everywhere hearing the gospel from a friend.

Mission – Energize the Church to Mobilize youth to Gospelize their world.

Vision – Every teen everywhere hearing the gospel from a friend.

Greg Stier's Biography

Greg Stier is an unlikely candidate to lead a ministry like Dare 2 Share.

This almost aborted, inner-city kid from a high crime area of Denver never knew his biological father. But when young Greg watched the gospel radically transform his violent, bodybuilding, crime-ridden family, he discovered that he had a heavenly Father who loved him and was calling him to spread the gospel to the next generation.

In 1991, Greg's calling led to the founding of Dare 2 Share (D2S)—a ministry dedicated to reaching teenagers for Christ. When the tragic 1999 Columbine High School shooting happened just minutes from D2S's office, Greg resigned from a pastorate at a local church to zero in on the urgent mission of D2S.

Since then, God has used Greg and D2S to inspire and equip over a million teens to share the gospel with their peers. Through large-scale weekend conferences, weeklong summer events, youth leader trainings, teen curriculum, books and more, Greg has continuously worked to see every teen, everywhere hear the gospel from a friend. Today, D2S holds training events called Dare 2 Share LIVE and Lead THE Cause to accomplish the ministry's mission to "Energize the Church to Mobilize youth to Gospelize their world."

Greg is widely known as an expert on youth ministry, teenagers and evangelism, having written 20 books and countless articles on the subjects. He holds a degree in youth ministry as well as an honorary doctorate from Colorado Christian University. He has appeared on CNN, CBN, TBN, Focus on the Family, several national radio programs, and has been a featured speaker at Promise Keepers, Youth Specialties, Creation Festival, Life Fest, and The Billy Graham Schools of Evangelism.

Greg and his wife Debbie have two kids, Jeremy and Kailey. They enjoy hiking in the mountains of Colorado, going on trips together, watching movies and laughing a lot.
